B Baldwin Borough Public Library Kids & Teens

On Monday, April 3, we welcomed children's author/illustrator, Micha Archer, to the library as part of the PA One Book: Every Young Child Program. It was so amazing to see 200 children, teachers and parents come together for the love of reading.

To quote one of the teachers, "We are so thrilled to be here today...this is just wonderful! How fortunate are the children here today, that they get to make the connection between the book and who wrote and illustrated it, in addition to having the chance to meet her."

"The (Easter) egg hunt event at the library was fabulous, and you honestly could have charged \$30 for everything we were able to do. We had SO much fun that day, and it was so organized with tons to do! It's hard to believe it was free, and we appreciate it so much!"
