

Baldwin Borough Public Library Board of Trustees Application

A public announcement is made when there is a Board vacancy. The vacancy will continue to be advertised until the position has been filled by a qualified candidate; however applications may be submitted at any time, whether or not there is a vacancy, and will be kept on file for one year.

When filling a vacancy, the Borough Council will review the applications with input from the current members of the Library Board. The Council will vote to appoint the candidate during a regularly scheduled Council meeting. Candidates will be then notified of the voting results by Borough Council.

The Borough Council and the Library want to ensure the existence of a highly qualified, motivated, and engaged Library Board. The successful candidate will not only meet the individual standards and requirements of the position, but will also complement the skill sets of existing Board members.
