

- **Animation:** The way text or images appear on a slide during a presentation.
- **Picture:** Images that come from your computer or flashdrive.
- **Text Box:** You add text to PowerPoint using text boxes; you cannot just type on the slide.

Add a New Slide

Insert Pictures – Template Slide

Slide Design – Design Tab

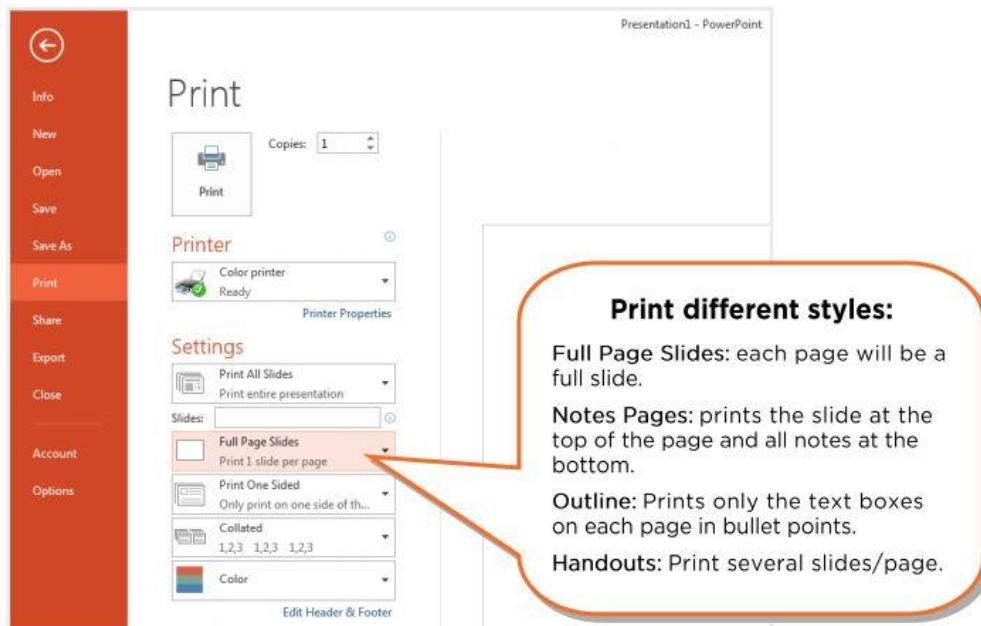

Add a Slide Transition – Transitions Tab

Add Notes

Print – File Tab

Need more help?

- Come to the library and practice on a library computer.
