

## 3D Print Request Form

### Requirements:

- Files must be sent in **.stl format**. No other file formats will be accepted.
- Files must not be larger than 25MB, measure no more than 6x6x6 (inches) and not take more than 6-hours to print.

### Things to Know:

- The BBPL will view all files in authorized software before printing.
- The BBPL will determine which slicer software is used (usually Cura).
- Prints will be completed and ready for pickup within 2-weeks of approval. *SUBJECT TO CHANGE*

### Please circle one answer for the following questions:

1) Do you agree to our 3D printing "Policies and Procedures & Supplemental Waiver?"

Yes            No

2) Do you agree to pay the following non-refundable fees (due at pickup)?

\$5 flat-fee and .20 per gram of filament used.

Yes            No

3) What color would you like your item printed in?

Black	Bronze	Dark Blue	Dark Gray
Gold	Light Blue	Light Green	Orange
Purple	Red	Silver	White
Yellow	Marble		

**Please answer the following:**

Write your first & last name:

---

Write your email address:

---

Write your phone number:

---

Send us your 3D design file to [bbpl.library@gmail.com](mailto:bbpl.library@gmail.com)

**Important Notes:**

- Only **.stl files** will be accepted.
- For additional information check out our **policies and procedures form** on our website.

- If your 3D print design is accepted, we will notify you.
- Prints may take up to two weeks to complete.

**Anything else we need to know about your design?**
